CARL REITER BARES

HIS GOLFING SOUL

IT was in one of those niches in the Orpheum Theatre cata-combs that Carl Reiter bared his soul to a fellow vaudevillian,

and no doubt Carl never thought t would ever get above ground.

It came out, right from the heart, after his friend, who was

preparing for his appearance on the stage, with Carl for an audi-

ence, glowed as he told of a hole-in-one he had made since he

last met his old golfing-theatrical pal, Reiter.

"A hole-in-one; a hole-in-one;
such a thing never will happen
for me, I know it," sadly exclaimed Carl: "You know; and

I am telling you such a truth as I have never told before, I have

Here goes:

On June 14 P. N. G. A. Will Conduct Sectional Test at Local Course, According to Plans Now Complete.

THE Inglewood Country Club course, one of the real testing fields for golf in this section of the country, will be the scene on Monday, June 14; of the sectional qualifying play for the National Open Championship, to be played at the Scioto, Ohio, course the second week in July. Inglewood has not been officially

apprised yet of its selection as host to the important qualification test, but such notification should be forthbut such notification should be forthcoming at any moment.

The Pacific Northwest Golf Association was requested by the United
States Golf Association, through Secretary H. H. Ramsey, to assume
charge of the sectional qualifying
play for the National Open. Mr. Ramsey specifically said that it was the
desire of the U. S. G. A. that an
eighteen-hole course at Scattle be
chosen for the test.

The request was forwarded by Miss
M. Smith of this city, assistant secretary-treasurer of the P. N. G. A., to
President Harlan I. Peyton, at the
time visiting in California, and Mr.
Peyton asked for expressions from
four clubs: Seattle Golf Club, Inglewood Country Club, Rainier Golf and
Country Club and Earlington Golf
Club.

Linglewood Is Unanimous Choice.

Inglewood Is Unanimous Choice. Seattle Golf Club, with a full sched-ule for the season, or as full as de-

further thought,
When President Peyton learned of
this Seattle unanimity for Inglewood
he immediately on his return home to Spokane Thursday notified Secretary Ramsey of the Inglewood selection. The official announcement of the In-glewood acceptance should be forthcoming at any time now.

In the official U. S. G. A. request of the P. N. G. A. to take over the sectional qualifying the fact was noted that the list of entries eligible to play would be furnished shortly.

Now there have been provided seventeen qualifying fields throughout the country for the National Open. In an official list of eleven cities tenta an official list of eleven cities tenta-tively decided upon, and announced ten days ago in New York, the name of Portland was given. This hardly comports with the advices received by President Peyton, for it deesn't seem likely that two qualifying spots so close together would be chosen.

On to Spokane. June 14, the date set for the qualifying play here, falls on a Monday. Thirty-six holes of medal play will be required as the test. Just how many are to qualify here will be noted when the section of eligibility is established. the same week as the Pacific North-west Open Championship at Spokane Country Club. However, after the Monday play here it will be a simple matter for everybody to keep on go-ing to Spokane, arriving there in time for plenty of practice before the sev-

THIS FAIR GOLFER KNOCKS HER SPITZ PUP FOR I BIRDIE

SEDRO WOOLLEY, Saturday, April 3 .- It is easy to mistake a toadstool, a gray-haired dandellon, or a scrap of paper for a golf ball, but it is seldom that a golfer makes the mistake of trying to knock a fluffy Spitz dog for a birdie, as did Miss Gertrude Wicker, local golfer. The pup is really as round as a ball, and as white, but hardly as small. "Charleston," as he is named, maintained a deathlike calm for some time following the smack, but rallied later and relished his saucer of bread and milk, with an extra spoonful of

Miss Wicker was at Big Lake, driving parachute balls into the water for practice, and was set for one of her best when "Charleston" toddled up to the ball just in time to be hit instead of the pellet. The injured dog was rushed to Sedro Woolley for
