

THE  
**SOCIETY OF HICKORY GOLFERS™**  
PRESERVING THE TRADITIONS OF THE GAME

It is with great pleasure that the Society of Hickory Golfers extends to its members an Invitation to compete at the St. George's Golf and Country Club in a special hickory tournament to commemorate the 100th anniversary of the founding of St. George's.

The hickory tournament celebrating the centennial will be part of an overall celebration that St. George's is hosting for its members. The event offers a rare opportunity to experience both an historic golf club and the camaraderie of members who keenly feel an appreciation of their Club's role in the golf history of America. The three-day, mixed format will be a part of this celebration. **Dates are set for Sept. 22-24, 2017.**

This is a **Limited Field, with a max participation of 24-28 players**. Entries will be accepted on a first come, first served basis, with a completed registration form and check confirming your participation. A wait list will be provided, and frequent communication will go out to all interested players as we approach the date.

Please RSVP with your intention to compete in this event, or with your regrets, by July 30, 2017. Payment and entry application must accompany your RSVP. A special day of play has also been arranged for Friday, Sept. 22 at Southward Ho Golf Club, a venerable Tillinghast design on the south shore of Long Island. Players may participate in all three or parts of this weekend.
